- **EIN Number/ Tax ID Number:** 04-277-4441

Frequently Asked Questions

How do I complete a matching gift form?

If you have a printed matching gift form, please mail to:

Boston Children's Hospital Trust
Attn: Fundraise Your Way
401 Park Drive, Suite 602
Boston, MA 02215

Or complete an online form if it's part of your company's process.

Our gift processing team takes care of all matching gifts. Include the full name of the individual being supported by the matching gift as well as the event they're fundraising for.

Boston Children's Hospital doesn't come up when I search online. Should I nominate a new organization?

No. Looking us up by "Fundraise Your Way" or by an event name will not yield accurate results. Use **Children's Hospital Corporation** to identify Boston Children's as a matching organization. If you nominate a new organization, we cannot guarantee the matching gift process will be prompt or correctly credited.

When will my match be posted to an online fundraising page?

All matches vary. Many companies send in matching gifts quarterly but we cannot guarantee the date it will arrive or be posted online. Confirm your company's payout schedule with the Human Resources department if you have questions.

My donor matched their donation, but it hasn't come through yet. Can we apply the amount to my page?

Unfortunately we cannot process donations that our organization has not received. The matching gift will be reflected on your online fundraising page once it arrives and has been processed.
